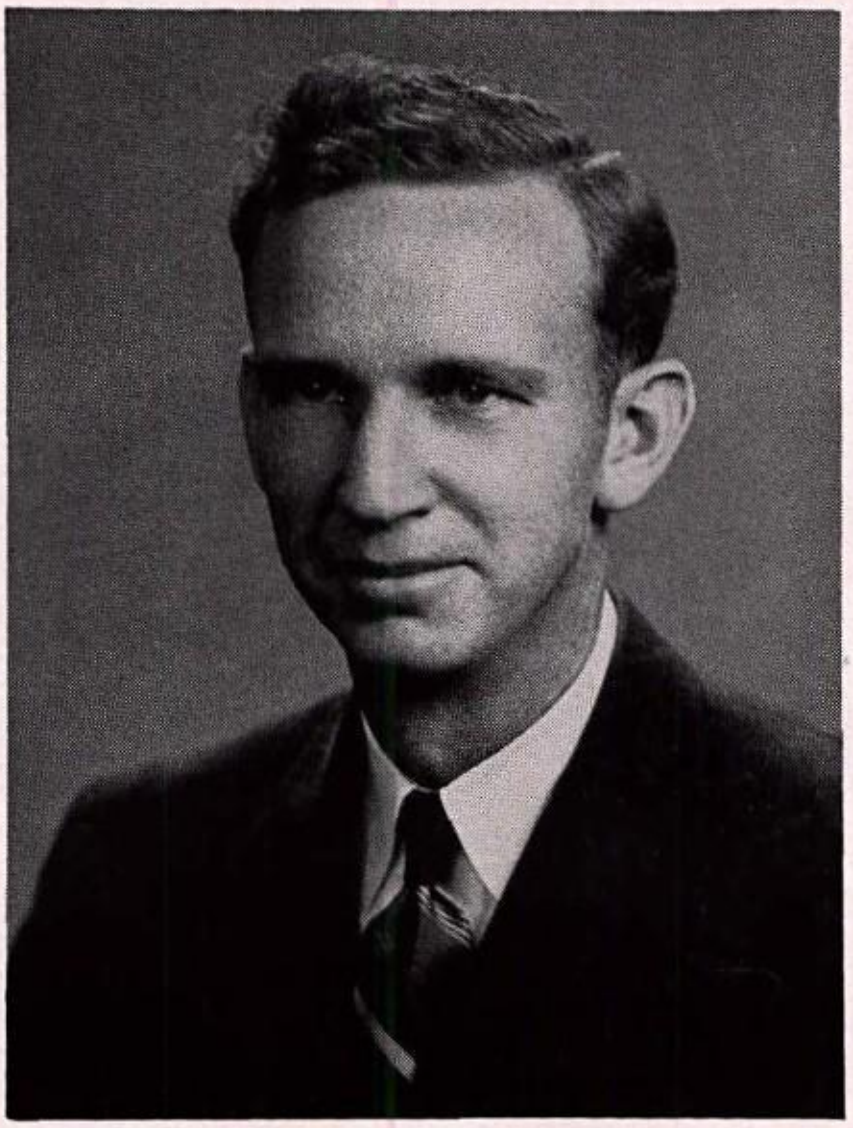
When you long for life without difficulties, remember that oaks grow strong in contrary winds and diamonds are made under pressure.

SECRETARY

MISS HELEN RICHARDSON

PRINCIPAL



MR. R. C. HINSDALE

The Freshman Class of 1944 embarked upon a cruise that took them in search of knowledge, wisdom and understanding. Your four year voyage has provided many opportunities for you to explore the inlets, waterways and bays in search of the facts, skills and educational tools that will make your voyage after school more successful. Your voyage was well chartered, the ship of 1948 has followed the course, weathered the turbulent storms and has pulled into the port of Graduation.

It is my sincere wish that your ocean voyage will be even more successful. Your class motto "We Have Crossed the Bay, the Ocean Lies Before Us" is a definite challenge to all.

SENIOR SPONSOR

MISS ELMA TAYLOR

My association with you during your high school days from seventh grade adolescence to senior maturity—has been most pleasant. I have found you industrious, cooperative and dependable; you have demonstrated leadership and initiative; you have earned good grades and shown high ideals. You are prepared to face the realities of life in this Atomic Age.

Today you stand upon the threshold of that new life. This life will be in a world torn by hatred and confusion, bitterness and suffering, cold and hunger—in a world whose only salvation is the healing mercy of brotherly love and Christian Living.

In that new life I believe you will be:

C o-operative in home and community
H ealthy in mind and body
R everent to God
I mpartial in judgment of others
S ympathetic with the ills and troubles of all
T olerant of other races and creeds
I mmune to destructive criticism
A bundant in kindness and love
N atural in your actions

C haritable to your enemies
I mpeccable in etiquette
T actful in speech
I ndustrious in your vocation
Z ealous in the pursuit of knowledge
E conomic in your business
N oble in thought
S erene during life's hard problems
